

AGRREMENT OF COOPERATION
between
THE POLISH ACCREDITATION COMMITTEE
and
THE ACCREDITATION COMMISSION, ADVISORY BODY TO THE
GOVERNMENT OF THE SLOVAK REPUBLIC

With the intent to establish co-operation in the field of quality assessment and accreditation in the area of higher education, The Polish Accreditation Committee (PKA) and The Accreditation Commission, Advisory Body to the Government of the Slovak Republic (ACSR) have agreed as follows:

Article 1

In an effort to use experience and good practices in the field of quality assessment and accreditation in higher education PKA and ACSR shall:

- promote quality culture in higher education;
- share skilled experts;
- share information on development of procedures and quality assurance systems
- exchange expertise, opinions and publications;
- promote conferences, seminars and other experts meetings;
- exchange information about their educational systems, especially about areas referred to higher education;
- collaborate in the field of training of experts and staff.

Article 2

PKA and ACSR shall nominate the authorized persons for the communication and shall inform each other about the changes of appointed persons in written form during the reasonable time.

Article 3

The realization of the Agreement does not establish any mutual financial obligations between the PKA and ACSR.

Article 4

1. The Agreement may only be amended on the motion of a party upon the consent of both PKA and ACSR.
2. Changes or additions to this Agreement must be provided in a written form.
3. Changes to this Agreement enter into force on the day of their adoption.

Article 5

The Agreement expires 90 days after written notice given by a party.

Article 6

1. The Agreement is in two exemplars of the same legal power in English language.
2. The PKA and ACSR agree to formulate all written documents concerning their cooperation in English language.

Article 7

The Agreement shall enter into the force upon its signature by both parties.
